

SPECIAL RESEARCH PROJECT APPLICATION FORM

Student Name: _____

Student #: _____

Email: _____

Total Credit Hours: _____

Research Faculty Senior Supervisor: _____

CGPA: _____

Research Faculty Supervisor (optional): _____

UDGPA: _____

Applying for CMPT 415 OR CMPT 416

Semester applying for: _____

INSTRUCTIONS:

1. Please print clearly, sign & date the form
2. Your Cumulative GPA (CGPA) and Upper Division GPA (UDGPA) must be 3.00 or higher
3. Your Total Credits Hours completed to date must be 60 or more
4. Attach a copy of your ADVISING TRANSCRIPT available from the Student Information System
5. Attach a copy of your completed Graduation Planning form
6. Attach a detailed Project Proposal that includes a grading scheme (a set of grading criteria), a plan of study/research, and a list of some preliminary references
7. Submit the completed forms and transcript to the Computing Science main office (located in ASB 9971 on the Burnaby campus or in Galleria 4100 on the Surrey campus)
8. You will be notified via email on the outcome of your request
9. Check your Class Schedule in the Student Information System in Week 2 to verify that you have been enrolled in the correct course

Briefly explain why you want to take CMPT 415/416 instead of some other computing course:

Do you wish to use this course to satisfy either Depth or Breadth requirements for graduation?

Please explain why and in what manner this course can be used for this requirement:

Student Signature: _____

Date: _____

Supervisor Signature: _____

Date: _____

UCC Chair Signature: _____

Date: _____

File #:

Request Approved or Rejected

Course approved as: Breadth Depth Neither

Additional Comments: _____
