CSIL Closures

CSIL is closed occasionally for exams, please watch for updates.

Other than these closures CSIL is open from the first day of classes to the last day of exams.

Please check with your instructor to see when scheduled labs begin - it is usually the second week of classes but not all courses are the same.

Labs are reserved for courses at times indicated above. Space in the labs may also be reserved for office hours here: <http://www.cs.sfu.ca/CourseCentral/tabooking/>
